Answer

MINISTER OF STATE IN THE MINISTRY OF PLANNING (SHRI M.V. RAJASEKHARAN)

(a) to (c): No Sir. The Planning Commission has not specifically received comprehensive plans for infrastructure development from any State. Proposed outlays on infrastructure forms a part of the Annual Plan of every State which are considered by the Planning Commission while approving the Annual Plan of States. Proposals for Central funding of various infrastructure projects are made to the concerned Ministry/Department by the State Governments.
